1.0 PURPOSE

To document the company's environmental principles and key priorities.

2.0 SCOPE

Company-wide. This Policy applies to Delek US Holdings, Inc., its subsidiaries, its affiliates, and all employees of Delek or its subsidiaries and affiliates ("Delek" or "Company"), including Delek Logistics Partners, LP ("DKL").

3.0 DEFINITIONS

Biodiversity: Biological diversity in an environment as indicated by the numbers and health of different species of plants and animals.

Emissions: The gasses which are put into the air by various sources.

Resource: Material asset used to produce goods and services that meet human needs and wants.

Waste: Any garbage, refuse or sludge generated by industrial operations.

4.0 POLICY

Delek is committed to operating our business in an environmentally responsible manner and dedicated to continuously improving our performance. To achieve this, we commit to:

- Observe applicable regulations and laws.
- Expand the scope and ambition of our environmental management system (EMS).
- Seek to reduce the resources we consume; emissions we produce and waste we generate.
- Strive to protect the biodiversity of the communities in which we operate.
- Measure our environmental performance, daily, reviewing our progress with the EHS Committee of the Board, quarterly, and publicly reporting, annually.
- Educate our employees regarding the company's efforts to protect the environment and how employee support contributes to our success.
- Consult with our neighbors and other stakeholders on a regular basis.
- Encourage our suppliers to implement environmental standards of the same scope and ambition.
